## Heart to Heart raises funds for Rays of Hope

Through a series of four open houses between September and October, the practitioners of the Heart to Heart Healing Connection are pleased to announce that they have raised over \$600 to benefit the Rays of Hope.

In addition to the individual sessions,

breast cancer survivor and author of the "Three Sisters" cookbook, Suzanne St. Germain, autographed and sold copies of the book for \$10, and offered samples of recipes included in the cookbook.

Ms. St. Germain inspired the practi-

tioners to offer the open houses, as she is also the captain of Team Wiggins' Warriors, and will be participating in the annual Rays of Hope walk. Every dollar raised by the practitioners of Heart to Heart was donated to support Wiggins' Warriors in the Rays' walk on Sunday, October 28.

The Heart to Heart Healing Connection is located on the second floor at 283 Elm Street in West Springfield, MA.
